I received a couple of emails about travel photos. We currently don't have professional photos in travel. Since some asked about it, we will put it on the agenda at a future committee meeting to see if it's feasible. For the time being, the coaches and team managers will coordinate a "picture day" to be scheduled by the individual teams. The parents will be able to take a team photo and then parents can take individual pictures on their own. We want to thank those who attended Soccerfest. It was a great time! Also, thank you for the questions, comments & suggestions...keep them coming.

**REMINDER:** Families attending the Odenbach tournament, please finish registering by June 6, 2018.

### CFC Handbook excerpt:

This handbook has been established by the CFC Travel Committee to help CFC grow and maintain uniform procedures. In order to have a fair and efficiently run organization, it is necessary to document these policies and procedures so that there is no misunderstanding on issues that may arise. It is not possible to document all issues and their potential resolution, therefore the collective good judgment of the Travel Committee will prevail in issues as they may arise.

Concord Futbol Club (CFC) committee administers the competitive (travel) spring and fall soccer programs of NCSA. It is managed by a seven-member CFC Travel Soccer Committee to be led by a Director of Travel. The Director of Travel shall be appointed by the NCSA President and approved by the Board. The Director of Travel shall be responsible for appointing other members of the Travel Soccer Committee, including but not limited to a Travel Soccer Committee Financial Coordinator, who shall have duties similar to those of the Association's Treasurer but related to the travel soccer program. Travel Committee meetings shall be held monthly with additional scheduled meetings as needed. A committee member who misses three consecutive meetings may be subject to removal.
